GLOSSY SERIES

1
PART

A detailed illustration of a Venetian canal scene. The scene is viewed from a high angle looking down the canal. On the left, a multi-story building with a balcony and a flag is visible. The canal is filled with various boats, including gondolas and motorboats. In the background, the large dome of St. Mark's Basilica (Basilica di San Marco) is the central focus, surrounded by other historic buildings with domes and spires. The sky is a deep blue with some light clouds.

Blend with Technology

— ABOUT

I'm synonym of Luxury. In the gated community, I am the most coveted brand. The Tile develops its own luxury of modernism. They have blended traditional and outstanding art of fashion, into an extraordinary tile. That's me.

Try, test and triumph on Luxury. Alone I out smart; together stand with brilliance and in a community omnipresent. Feel good effect, tones and versions inspire variations in romance. Believe me, I behold ever lasting – ever shining – ever charming Luxury.

NEW LUXURY

timeless legacies

Elegance without losing the minimalist touch, wrapped with earthy colors in the burst of charming shine.
